Marker of the Atom Tombs

Nuclear waste is very difficult to (0) rid of, not only because it cannot be stored safely, but (16) because it remains dangerous (17) thousands of years. A way must (18) found of storing nuclear waste (19) that it is isolated from the world and remains undisturbed.

Nuclear researchers are currently debating (20) nuclear waste is best stored in tunnels on the sea bed or buried deep (21) the ground. In addition, the places (22) nuclear waste is stored have to be marked in some (23) to prevent people from digging into them or simply going (24) close to them. Marking them is, however, no easy task as markers must be able to warn people thousands of years from now (25) the dangers buried deep in the ground.

After a great (26) of research, markers have been designed (27) should frighten people away and indicate (28) nothing of any value is buried there. Written text in (29) languages and pictures will reinforce the message. The structures will also produce frightening sounds in the wind, so even (30) who do not see the warning signs will not approach them.

Staying alert

- 0 Everybody needs a certain amount of rest. But much more
00 and more people are required to work longer hours,
41 which often results in over-tiredness. When people
42 cannot think rather clearly, accidents happen. However,
43 those of who have a difficult job with long hours and
44 few breaks need not to despair. There are ways
45 to help you stay alert. Gentle exercise, for an example,
46 can help you think, even so when you are tired. You
47 should also avoid large meals as overeating
48 will make you to feel drowsy. Light meals and coffee are
49 ideal if you want to stay awake person. Turning on the radio
50 will keep your mind occupied. If you have to work nightshifts,
51 then turn them on the lights. Bright lights can
52 have a dramatic effect in preventing the sleepiness.
53 Never be tempted to switch on the heat as fresh, cool
54 air is a better option. If none of these all suggestions
55 help, then perhaps you should see a doctor.
