

USE OF ENGLISH

PART 1

For questions 1-15, read the text below and decide which word A, B, C or D best fits each space. There is an example at the beginning (0). Mark your answers in the answer boxes provided.

The Tiger

The tiger is a large meat-eating (0) of the cat family. There are about eight different species living around Asia, varying in characteristics (1) to the area in which they live. In warm, damp areas, for example, they have thinner coats than in colder regions. In areas where snow (2), the distinctive gold markings may be (3) by ivory-white, (4) in Malaysia some almost completely black tigers have been (5) The female tiger is pregnant for a (6) of 15 weeks before her cubs are born, and will have between 2 and 4 in (7) family. They are born with no fur and are blind. They are able, though, to eat meat within six weeks. The popular (8) of the tiger is that of a leaping killer ranging the jungles, terrorising humans. In fact it will attack people only if starving or trapped by hunters. Its (9) practice is to follow its prey for (10) periods of time before leaping in an attack which is over in a (11) minutes. (12) many wild animals, they are seriously (13) threat from the selfish human world. Many of the less (14) groups have been wiped out of their natural environments or have only few (15) members.

PART 2

For questions 16-30, read the text below and think of the word which best fits each space. Use only one word in each space. There is an example at the beginning (0). Write your word in the answer boxes provided.

Health Spas

In the world (0) health spas, it is minerals that count, and Lake Vouliagmeni in Greece claims to (16) more than anywhere. Its chemical content is (17) complex that when German scientists tried to reproduce it (18) therapeutic treatments after the Second World War, (19) failed.

However, their research revealed that certain chemicals including sodium, iron, sulphur and iodine, contribute (20) the Lake's healing powers. Doctors from all (21) Greece send patients there for different ailments (22) as arthritis and sciatica.

One Greek doctor, who had sent hundreds of patients there before becoming resident medical specialist, reports that the health of all the patients he had sent (23) improved greatly. There was even one patient who had (24) told he would never walk again, but after twenty baths he managed to take his first steps (25) years.

Most patients go to the lake for conditions (26) arthritis and rheumatism. One man, a former dancer from Paris, swims in the lake seventy times a year to ease his joints. If he does not visit the lake frequently, he suffers (27) pains in his back and shoulders.

The lake is set in a green valley surrounded by caves from (28) the hot springs flow. It can be used all year (29) because the temperature never falls (30) 20°C even in winter.

PART 3

For questions 31-40, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. Do not change the word given. You must use between two and five words, including the word given. There is an example at the beginning (0). Write only the missing words in the answer boxes provided.

- 0 Your house needs to be cleaned.
have
You cleaned.
- 31 He had to stay in hospital because of a serious injury.
injured
If he, he wouldn't have had to stay in hospital.
- 32 It's a pity he didn't get the job.
only
If the job.
- 33 Lydia plays golf better than Chris.
as
Chris doesn't Lydia.
- 34 It's twenty years since Pat and John got married.
for
Pat and John twenty years.
- 35 I couldn't afford to stay at that hotel.
too
That hotel was stay at.
- 36 He must be shown the plans first.
essential
It is the plans first.
- 37 He worked hard because he wanted to be promoted.
view
He worked hard promoted.
- 38 Both of Susan's children look like their father.
after
Both of Susan's children father.
- 39 You must write your date of birth on the form.
were
You must write on the form.
- 40 You can stay with us if you can't find a hotel room.
put
We if you can't find a hotel room.

PART 4

For questions 41-55, read the text below and look carefully at each line. Some of the lines are correct, and some have a word which should not be there. If a line is correct, put a tick (✓) by the number in the answer boxes provided. If a line has a word which should not be there, write the word in the answer boxes provided. There are two examples at the beginning (0 and 00).

Pets and People

- 0 Many of people in the world own pets.
- 00 Most of them have cats or dogs, but some people
- 41 have more unusual animals. My friend she has
- 42 a snake which she normally keeps in a glass tank. She
- 43 bought the snake since 5 years ago, when she
- 44 was at 13 years old. I don't like snakes, so I stay
- 45 away from her house when "Sydney" is not in
- 46 his tank. My own pet, on the other of hand, is
- 47 quite normal. She is a beautiful grey Persian cat
- 48 with black ears, and she spends on most of
- 49 her time sleeping. Sometimes pets can to cause
- 50 problems. Our next in door neighbour owns a
- 51 big black dog that barks very a lot during
- 52 the night. My mother has talked to her only yesterday
- 53 about the noise, but she was a bit rude and
- 54 told to my mother that our cat makes a lot of noise too.
- 55 My mother was so amazed by that she couldn't speak.
