6

Miranda is going to university in a few months to study computer science. She has used computers since she was a girl. Miranda also loves clothes and she is very keen on all kinds of sport.

7

Miranda's brother, James, is interested in pop music and his ambition is to sing in a band and become a star. He doesn't play a musical instrument yet, although he is keen to learn to play the guitar.

8

Miranda's grandmother used to be an opera singer. She has just become interested in computing. She has bought a laptop computer and she wants to learn how to get onto the internet and to send emails.

9

Miranda's other grandmother is going to retire soon and she is not sure how she is going to spend her time. She wants to take up a new hobby. She would like to do something in the open air but she is not very interested in sport.

10

Miranda's cousin, Laura, has two small children and is at home most of the time. Although her neighbour can babysit for her, Laura can't afford to go out in the evenings now. She used to love going to the theatre.

OUR GIFT SUGGESTIONS

**A** This is a two-hour video which is aimed at young people who dream of a career in popular music and want to become a star. It provides some fascinating information about the life of a pop musician and gives some good tips on how to succeed in a world where many try and fail.

**B** This attractive tennis dress is both comfortable and fashionable. It comes in a range of sizes and is popular with both younger and older players. Although this dress may not improve your game, you will feel confident that you are looking good while you are playing.

**C** This delightful picnic basket contains everything you need to enjoy a meal in the open air – plates, glasses, knives, forks and spoons, boxes for food and flasks for tea or coffee. There is enough for six people, all in an attractive basket. The children will love a picnic – and it's so much easier for you.

**D** The A to Z of Computing. This attractively illustrated guide explains computing to beginners in a clear and simple style. Even someone who has never touched a computer before will quickly be able to master all they need to know in order to become a confident computer user.

**E** Improve Your Guitar Skills. This is an excellent book with accompanying video aimed at the guitarist with some experience of playing either pop or classical guitar. The author suggests a range of exercises to help the student make progress. Instructions are clear and practical and there are some nice humorous touches too.

**F** This is an original and imaginative present which will be appreciated by anyone with an interest in culture. It is a special voucher for tickets to the theatre for two people with drinks in the interval included. The voucher may be used to buy tickets for any theatre, opera or ballet performance of your choice.

**G** Try this new tennis racket and you will be immediately impressed. It is light and comfortable to use. It looks smart too. It is the choice of many professionals and has been seen at the most important competitions this summer. It comes in its own case with a pocket that can hold four balls.

**H** This lovely paint box contains 24 different watercolours and four brushes of various sizes to create delightful water-colour paintings. It is ideal for capturing those wonderful country views. An excellent present for either the beginner or the professional artist.

Fitness Centre – Opening 10 January

What We Offer

Now the Christmas and New Year celebrations are almost over, start the new year in a positive and healthy way by joining the town's new fitness centre. This fitness centre has already opened with great success in other towns in Britain and it is now coming to your town. It will offer not only a gym, a pool and qualified instructors, but also classes in a variety of healthy activities from yoga to salsa dancing, from aromatherapy to judo, from aerobics to homeopathy. It will have a large library with books and videos providing information about different sports, therapies, diets and other activities which can improve your health and fitness.

Join this month and you will be able to enrol on two of the special courses free of charge.

Membership

Membership is open to all over-18s. Special membership rates are available for pensioners and full-time students. Discounts are also available for members who wish to use the centre between 9 and 5 on weekdays. Children can use the facilities on Saturday mornings if accompanied by a responsible adult.

New members are given a health check and are then provided with an individual fitness programme to suit their needs. Progress checks are offered free of charge every six months. Qualified instructors will be present at all times to give guidance and help when needed but members who prefer to work out alone will be able to do so.

Opening Hours

Opening hours are from 7 a.m. to 11 p.m. daily including Sundays.

Café and Restaurant

The Centre contains an excellent café and restaurant. Both are run by a company that specialises in healthy foods and drinks. You will find their meals delicious and satisfying. They will be happy to share their most popular recipes with you in their newly published *Healthy Eating for a Long Life*, which can be purchased in the Fitness Centre as well as at good bookshops.
