

For questions 56-65, read the text below. Use the word given in capitals at the end of each line to form a word that fits in the space in the same line. There is an example at the beginning (0). Write your word in the answer boxes provided.

1.

Caring for House Plants

You can kill house plants with (0), either by overwatering or overheating them. Try to copy the plant's (56) environment as closely as possible, and remember a few (57) rules. First, keep the temperature at a level at which the plant thrives (58) Also, no plant likes sudden changes in temperature or (59); most plants are quite (60) to various conditions, as long as the change is gradual. A plant doesn't need water unless its leaves are (61), drooping, but it's important to have some (62) around the roots, so keep the soil damp. Don't overfeed plants, as this results in unhealthy rapid (63) It will be necessary for you to re-pot your plants (64), in order to give them more space; the (65) time to do this is when the roots begin to grow up the side of the pot.

4

Dolphins

The (0) dolphins hold for humans goes back thousands of years. Ancient Greek (56) decorated coins and pottery with pictures of dolphins, and they often make an (57) in Greek and Roman mythology. Sailors have always regarded the (58) of dolphins as something which (59) a smooth voyage. On the other hand, thousands of dolphins are killed (60) for their meat, and huge numbers are (61) drowned in nets by fishermen whose (62) was to catch other kinds of fish. Despite the recent (63) of international laws which make it (64) to kill dolphins except in special circumstances, several species of dolphin are still (65), and such measures are no more than a small step in the right direction.

2.

The Acting Profession

Acting is certainly not a career for anyone who likes (0) (56), who are at the start of their careers, when they are still (57), must go where the work is. This means they never really know the (58) of time they will spend in any one place. There is a lot of (59) in the theatre, too, so acting does not always live up to people's (60) of fame and fortune. There are two different (61) when it comes to finding work: work in (62) theatre, and work on TV. Many people prefer the latter, since work in TV soaps or series provides some (63) If the character becomes popular with (64) Most enjoy the work, too, in (65) to the regular payments which steady work ensures.

5.

Interior Design

Interior design, sometimes called interior (0), is the art of creating (56) rooms and other indoor spaces that are also comfortable and (57) In order to achieve this, a (58) designer must first of all make a very careful (59) of elements, like materials, colours and lighting, that suit the particular (60) of the client. A number of factors must be taken into (61) before a design plan can be made, such as what (62) will take place in the area and also the amount of money the (63) is prepared to spend. It would be (64) for a designer to make plans to (65) transform a house, for instance, if all the owner can afford is a change of wallpaper.

3.

Claudia Roden

Claudia Roden was born and (0) up in Cairo, but she finished her (56) in Paris and later studied art in London. At first a painter, Roden started writing (57) books (58) out of a desire to remember the past and all the (59) of her happy life in Egypt. The local (60) of food, including the light, colour and smells, as well as the hospitality, (61) and humour, have all left a permanent (62) on her. She changed our view of the way people cook in the Middle East. Her very (63) style brought her many (64) delighted readers as she gave them an (65) to a new world of food far beyond their previous experience.
